Undergraduate Programs at IIT Bombay

Four-year undergraduate program of study that provides a broad and liberal education, and a sound background in a technical domain

BDes

Bachelor of Design
Course duration 4 years
 Design

BS

Bachelor of Science
Course duration 4 years
 Chem

BTech

Bachelor of Technology
Course duration 4 years
 Aerospace Engg , Chemical Engg, Civil Engg, Computer Sci & Engg, Electrical Engg, Material Sci & Metallurgy, Mechanical Engg, Engg Physics

DD

Dual Degree Program BTech + MTech
Course duration 5 years
 Aerospace Engg , Chemical Engg, Civil Engg, Computer Sci & Engg, Electrical Engg, Energy Sci & Engg, Material Sci & Metallurgy, Mechanical Engg, Engg Physics

Students in the BTech and BS programs may opt for Minors and/or Honours programs. These programs provide great leverage to a student applying for specialized positions and niche roles:

- Honours: Earned additionally by completing extra specialized courses within parent department
- Minors: Earned additionally by completing extra specialized courses outside parent department
- Dual Degree program: Upon successful completion of necessary academic requirements, a student is awarded both BTech and MTech degrees
- Admission to BTech, DD and BS programs is through the Joint Entrance Examination (JEE)
- jeemain.nic.in, www.jeeadv.ac.in
- Admission to BDes program is through the Undergraduate Common Entrance Examination (UCEED)
- <http://www.iitb.ac.in/uceed>

JEE

UCEED

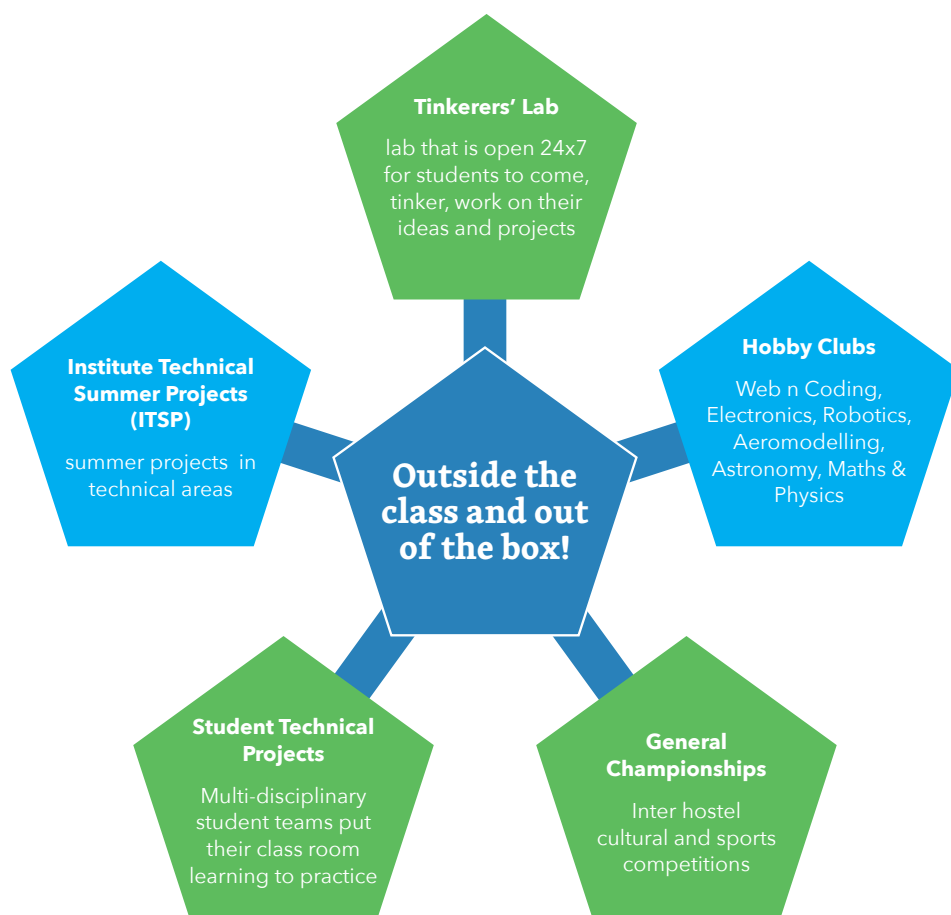

Fees (approximate amounts in INR) for UG programs:

	BTech	BDes	DD	BS
Fees Per Semester	1,25,000	1,25,000	1,25,000	1,25,000

- Fees shown are representative and vary for different categories of students
- A variety of scholarships are available
- Various components of fees and other related information can be viewed at <http://www.iitb.ac.in/acad>

Masters Programs at IIT Bombay

The aim of the program is to provide deeper knowledge to students to enable them to tackle practical problems in industry and society, as well as pursue further research

	MSc (2y)	DD (MSc + PhD, 5-6y)	MTech (2y)
DEPT/ADMISSION TEST	JAM	JAM	GATE
Aerospace Engineering			Aerodynamics, Aerospace Propulsion, Aerospace Structures, Dynamics and Control
Biosci. & Bioengineering	Biotech		Biomedical Engg
Chemical Engineering			Chemical Engg
Chemistry	Chem	Chem	
Civil Engineering			Geotech Engg, Ocean Engg, Remote Sensing, Structural Engg, Transportation Systems Engg, Water Resources Engg, Construction Tech & Mngmt
Computer Science & Engineering			Computer Science & Engineering
Earth Sciences	Applied Geology, App. Geophysics	Applied Geology, App. Geophysics	Geoexploration, Petroleum Geoscience
Electrical Engineering			Communication Engg, Microelectronics, Electronic Systems, Power Electronics and Power Systems, Control and Computing
Energy Sciences & Engineering		Energy Sci. & Engg	Energy Systems Engg
Maths	Applied Statistics & Informatics, Mathematics		
Mechanical Engineering			Manufacturing Engg, Thermal & Fluids Engg, Nuclear Engg, Design Engg
Metallurgical Engineering. & Materials Science			Materials Science, Process Engg, Steel Technology, Corrosion Sci & Engg
Physics	Physics		
Center for Environmental Science & Engineering		Environmental Science & Engg	Environmental Science & Engg
Center of Studies in Resources Engineering			Geoinformatics & Natural Resources Engg
Centre for Technology Alternatives for Rural Areas			Technology & Development
Industrial Engg. & Operations Research		Operations Research	Ind Engg & Ops Research
Systems & Control Engineering			Systems & Control Engg
Interdisciplinary			Materials, Manufacturing and Modelling

	MPhil (2y)	MDes (2y)	MMgmt (2y)	EMBA (18 months)
DEPT/ADMISSION TEST	MET, GATE/UGC-JRF/UGC-NET	CEED	CAT	For professionals
Humanities and Social Sciences	Planning and Development			
IDC School of Design	Communication Design, Interaction Design, Animation, Mobility and vehicle design, industrial design			
Shailesh J Mehta School of Management			Management	Management

JAM

GATE

CEED

CAT

JAM: Joint Admission test for MSc; www.gate.iitb.ac.in>JAM

CEED: Common Entrance Examination for Design; www.gate.iitb.ac.in/ceed

GATE: Graduate Aptitude Test in Engineering; www.gate.iitb.ac.in

CAT: Combined Admission Test; <https://iimcat.ac.in>

MET: M.Phil. Entrance Test; Entrance also allowed through GATE/CSIR-UGC NET

- In some of the departments admission is offered to the MTech + PhD (Dual degree) program.
- Students who are admitted to the MTech program can convert to the Dual Degree (MTech + PhD) program. Similarly, it is possible to convert from MSc in some departments to MSc+PhD dual degree and from MPhil to MPhil+PhD dual degree programs.
- Alternative channels of admission available for MTech program.
- For details visit <http://www.iitb.ac.in/acad>

Fees (approximate amounts in INR) for PG programs

	MSc	DD (MSc + PhD)	MTech	MPhil	MDes	MMgmt
Fees Per Semester	30,000	30,000	30,000	30,000	30,000	2,30,000

- Fees shown are representative and vary for different categories of students
- A variety of scholarships are available
- Various components of fees and other related information can be viewed at <http://www.iitb.ac.in/acad>

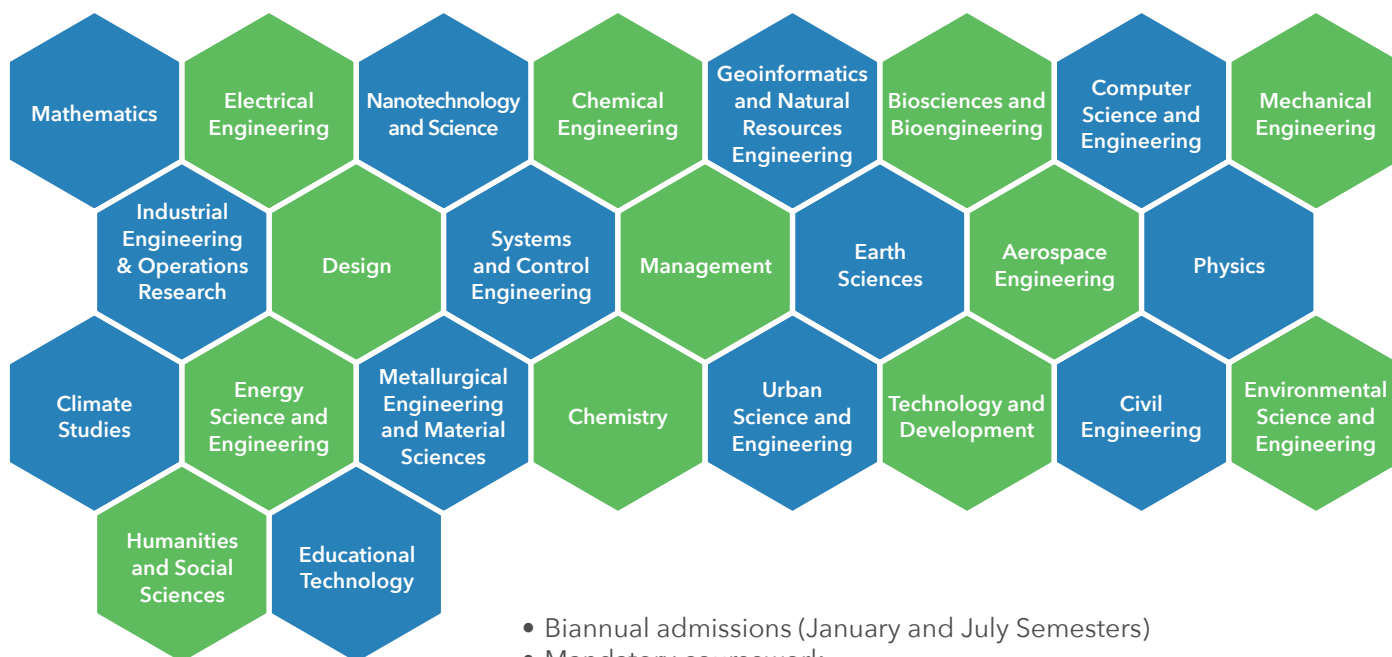

Assistantship for MTech, MDes and MPhil students:

	Stipend
Teaching Assistantship (TA, 2y)	Rs. 12,400/month
Research Assistantship (RA, 3y)	Rs. 13,400/month (increment of Rs. 1000 every subsequent year)
Teaching Assistantship through Project (TAP, 2y)	same or higher than TA
Research Assistantship through Project (RAP, 3y)	same or higher than RA

- Govt./Semi.Govt. Fellowships also available; visit websites of funding agencies for details
- Visit <http://www.iitb.ac.in/acad> for details

PhD at IIT Bombay

The PhD degree is the highest academic degree awarded by the Institute to recognize contributions that further the boundaries in a field of knowledge. This enables Research Scholars to hold leadership roles in academic and industry, or become entrepreneurs.

- Biannual admissions (January and July Semesters)
- Mandatory coursework
- Financial assistance provided for participation in national and international conference/symposium
- Admission to PhD programs can be through CSIR (Council for Scientific and Industrial Research) / UGC (Universities Grants Commission)/ GATE (Graduate Aptitude Test in Engineering) entrance examinations
- Admission through other channels also possible
- For details, visit <http://www.iitb.ac.in/acad>

Fees (approximate amounts in INR) for PhD programs:

	PhD
Fees Per Semester	30,000

- Fees shown are representative and vary for different categories of students
- Various components of fees and other related information can be viewed at <http://www.iitb.ac.in/acad>

Assistantship for PhD students:

	First 2 years	Next 3 years
FULL-TIME RESEARCH SCHOLAR		
Teaching Assistantship (TA) by MHRD	25000	28000
Teaching Assistantship through Project (TAP)	Same or higher than TA	
Industry Sponsorship	Same or higher than TA	

- Govt./Semi.Govt. Fellowships also available as per norms; Please visit the websites of funding agencies for more details
- Visit <http://www.iitb.ac.in/acad> for details
