

## INDIAN INSTITUTE OF TECHNOLOGY BOMBAY

Powai, Mumbai 400 076.

**Advertisement No. C-54/P(43)17-18**

**Date:21-02-2018**

### **Opportunities in Intellectual Property Management**

Industrial Research and Consultancy Centre (IRCC), IIT Bombay is looking for a talented and motivated executive to help in enhancing intellectual property (IP) management activities and related technical activities in research administration.

We seek committed manpower to help in IP protection / licensing activities and other research administration as per needs. Details of the post are given below:

#### **1.Position: Executive (IP Licensing) (1 post)**

**Job profile:** Intellectual property (IP) management including IP protection and licensing activities.

The job includes facilitating and providing support for IP protection and deployment by identifying industries and finalising licensing. The candidate is expected to have a good understanding of IP administration / management / technology transfer and its complexities in an academic institution, knowledge of licensing agreements, computer skills, the ability to take challenges and demonstrated capacity to communicate at all levels.

#### **Minimum essential qualifications for the above post:**

One year relevant work experience with academic qualifications of i). Bachelor's degree in engineering / technology / equivalent / other technical discipline or ii). a Masters degree in a Science / equivalent / other technical discipline. Preference will be given to candidates who have completed a course in IPR.

**Duration:** One year with possibilities of renewal, subject to performance.

#### **Salary Range:**

Rs. 30,000 to Rs.42,000/- per month consolidated plus out of campus allowance as applicable, based on qualifications and experience.

#### **Last date for submitting application:28-03-2018**

Lower or higher designation and lower or higher salary may be offered depending upon the experience and performance of the candidate in the selection process. The decision of the Institute will be final.
